

FV44150    DAP HDMI 2.1 - 8K/60 Hz - 4K/120 Hz - 48 Gbps 1.5 m

1.5 m

# DAP

EAN: 8717748513762

The DAP HDMI 2.1 Cable is a plug & play, male to male cable for connecting two AV devices, supporting resolutions up to 8 K @60 Hz. The Ultra High Speed 48 Gbps HDMI 2.1 is backwards compatible, meaning it's designed to work with the older HDMI 2.0 and HDMI 1.4 versions. Our cables are made from the finest materials and built to last and outperform. This cable comes in black and is available in 150 and 300 cm (4.9 & 9.8 ft).

#### Special features:

- HDMI 2.1 cable (male - male)
- Supports up to 8K @60 Hz and 4K @120 Hz
- Backwards compatible (HDMI 2.0 & 1.4)
- Gold plated
- Available in different lengths
- Black
- Plug & Play
