

Ovation F 6.25″ Barndoor V1

An all-metal, four-leaf 6.25-inch barn door accessory designed to precisely control and shape the light output from wash fixtures.
Designed for use with the Ovation F-95WW LED fresnel and any other lighting fixture equipped with a 6.25-inch accessory slot.

- Features a rugged all-metal construction for long-lasting, reliable performance.
- Provides precise beam shaping with four independently adjustable leaves.
- Delivers essential control over light spill for cleaner stage looks.
- Offers versatile compatibility with any 6.25-inch (159 mm) accessory slot.
- Installs quickly and securely for rapid adjustments in any environment.
- Helps create defined beam edges for precise scenic and architectural lighting.
