Description

The 1SKB-R2907 Roto-Molded 74 cm Tripod Case provides ideal protection for transporting professional tripods and other hardware. Roto-molded of rugged Linear Low Density Polyethylene, this case is designed with internal foam in the base and lid to keep equipment secure and protected. The case has internal dimensions of 74 cm tall with a diameter of 19 cm, and features a sturdy, high-tension slide release buckle with heavy-duty web straps for easy closure, room on both sides to adhere shipping labels, and two molded-in ergonomic carrying handles. This case comes with SKB's Unconditional Lifetime Warranty.
